

**COURSE INTEREST WORKSHEET FOR STUDENTS
HIGH SCHOOL DUAL ENROLLMENT (HSDE)**

Name of Student _____ Semester/Year: _____

Before meeting with the school counselor, students are encouraged to review HSDE course options at FSU on the CoreFSU website: <https://core.fsu.edu/findacoursefall2025>. You may use this form as a worksheet to prepare for the meeting. Dual enrollment students are non degree-seeking at FSU, and therefore, general education courses are the courses you can select for dual enrollment.

Dual enrollment students may not take the following types of courses designated as excluded:

1. Physical education, recreation, or leisure courses
2. Any course offered for fewer than 3 credits, graded on S/U basis, or offered as directed individual study (DIS)
3. Any course for which the student has not completed the prerequisite(s) established by the academic department
4. Any course for which a student has already earned or anticipates earning college credit (e.g., AP, IB, AICE, CLEP, or dual enrollment) or any course below a student's current level of proficiency based on a placement test (e.g., math and modern languages)
5. Specialized admission, limited availability, honors, or major-restricted courses.
6. 4000-level courses
7. Online courses
8. Other specialized courses designated as excluded from course offerings by FSU or the Florida Department of Education and communicated to students and school counselors at the time of course registration
