

Florida State University High School Dual Enrollment Recommended Course List

Updated 1/29/2026

Students who qualify for High School Dual Enrollment (HSDE) at FSU will choose from the courses listed under the “General Education” area on the [CoreFSU website](#). A course listed under CoreFSU does not constitute a promise of seat availability at the time of registration. Please note that course offerings also vary by semester, so check Schedule Assistant for availability in a given term. HSDE students may discuss other course options with their academic advisor, it is advised to select alternate courses in preparation for the registration meeting.

Dual enrollment students are non degree-seeking at FSU, and therefore, general education courses are the courses you can select for dual enrollment.

Dual enrollment students may choose from courses that are available during their assigned registration window (Summer term=April; Fall term=August; Spring term=November) unless otherwise designated as excluded.

Dual enrollment students may not take the following types of courses designated as excluded:

1. Physical education, recreation, or leisure courses
2. Any course offered for fewer than 3 credits, graded on S/U basis, or offered as directed individual study (DIS)
3. Any course for which the student has not completed the prerequisite(s) established by the academic department
4. Any course for which a student has already earned or anticipates earning college credit (e.g., AP, IB, AICE, CLEP, or dual enrollment) or any course below a student’s current level of proficiency based on a placement test (e.g., math and modern languages)
5. Specialized admission, limited availability, honors, or major-restricted courses.
6. 4000-level courses
7. Online courses
8. Other specialized courses designated as excluded from course offerings by FSU or the Florida Department of Education and communicated to students and school counselors at the time of course registration

Florida State University High School Dual Enrollment Recommended Course List

Updated 1/29/2026

Course #	Course Title	FSU Credits	Prerequisite(s) / Notes
<i>Math/Statistics</i>			
MAC courses require the ALEKS math placement test; directions provided by ACE during advising			
MAC 1105	College Algebra	3	ALEKS placement test
MAC 1114	Analytic Trigonometry	3	MAC 1105
MAC 1140	Pre-Calculus Algebra	3	MAC 1105
MAC 2233	Calculus for Business	3	MAC 1105
MAC 2311	Calculus w/Analytic Geom. I	4	MAC 1114 & 1140
MAC 2312	Calculus w/Analytic Geom. II	4	MAC 2311
MAC 2313	Calculus w/Analytic Geom. III	5	MAC 2312
STA 1013	Statistics Through Example	3	None
STA 2023	Fundamental Business Stats	3	None
STA 2122	Intro to Applied Statistics	3	MAC 1105

Course #	Course Title	FSU Credits	Prerequisite(s) / Notes
<i>History/Social Science</i>			
AMH 2010	History of US to 1877	3	None
AMH 2020	History of US Since 1877	3	None
AMH 2095	Native American History	3	None
AMH 2097	History of Immigration to the US	3	None
ANT 2000	Introduction to Anthropology	3	None
ANT 2416	Childhood Around the World	3	None
CPO 2002	Comparative Govt/Politics	3	None
ECO 2013	Macroeconomics	3	None
ECO 2023	Microeconomics	3	None
FAD 2230	Family Relationships: Life Span Development	3	None
POS 1041	American National Government	3	None
PSY 2012	General Psychology	3	None
SYG 1000	Introductory Sociology	3	None
SYO2101	Families in the US	3	None
