

# High School Dual Enrollment

## Summer/Fall 2026

### Academic Center for Excellence

Dr. Courtney Barry ~ Dr. Holly Hunt ~ Dr. Yanyu Pan ~ Mr. Jack Krebs

# What is Dual Enrollment?

## Acceleration Program:

- Access to rigorous courses
- Credits count toward HS diploma & the college degree simultaneously
- No tuition/fees for eligible students

At FSU, dual enrollment courses are EXCLUSIVELY in person and on the FSU campus /max of 9 credits per term / max of 30 attempted credits.

# Is it really free?

Ideally ~ \$0

No tuition/fees ~ No charge for books/materials

## **Student Responsibility:**

- Transportation to campus
- Fines: parking tix, late library books, lost ID card
- Consumable supplies (e.g., paper, pens)

# FSU Eligibility Requirements

- Eligible HS or home education (in Leon/Wakulla/Gadsden)
  - Leon Co. High Schools, Wakulla HS, Gadsden Co. HS
  - Florida High
  - Registered home education w/ Leon, Wakulla, or Gadsden school district

# FSU Eligibility Requirements

  - Last eligible tests: **Feb. 14 ACT** or **Mar. 14 CLT** or **Mar. 21 SAT**
- 3.0 FSU GPA to re-apply for future terms

# Cautions

1. Grades go on HS & college transcripts – will impact future college applications.
2. Non-degree seeking status (at FSU)
  1. Does not require a major or necessarily give access to courses in a major of interest
  2. Does not provide access to an AA degree in HS
3. Participation is only for one term
  1. Must reapply every semester
  2. Does NOT guarantee admission to FSU after HS

- Students who qualify for High School Dual Enrollment (HSDE) at FSU will choose from the courses listed under the “General Education” area on the [\*\*CoreFSU website\*\*](#).
- A course listed under CoreFSU does not constitute a promise of seat availability at the time of registration. Please note that course offerings also vary by semester, so check Schedule Assistant for availability in a given term.
- HSDE students may discuss other course options with their academic advisor, it is advised to select alternate courses in preparation for the registration meeting.
- **Dual enrollment students are non degree-seeking at FSU, and therefore, general education courses are the courses you can select for dual enrollment.**
